On Campus Incidents 10

Each year Peoria High School evaluates its safety procedures in order to improve the environment for its students by looking at what we did well and what could be improved. All gates are locked and guests must check-in with security to obtain clearance before entering the campus. Furthermore, emergency procedures have been set up in the event we need to implement them.

The Arizona Department of Education of the State of Arizona does not discriminate on the basis of race, religion, color, national origin, sex, disability or age in its programs, activities or in its hiring and employment practices.
